**COMMANDER'S COMMENTS**

Greetings 484 family, welcome to 2026. I know many of us are setting resolutions to better ourselves. Have you considered setting a goal to help others? The American Legion was founded on the principle of veterans helping veterans. The American Legion has advocated for the needs of veterans, active service members, and their families since 1919. Simmonds -Williams Post 484 should never be "just a bar" we should be a group of members willing to step up at any time to help. As we enter 2026, I challenge you to make one goal to help give back and help your fellow veteran, their family and our community.

**AMERICAN LEGION POST**

Greetings Post 484 Legioneers.

Thank you to the 110 members that have renewed for 2026 and to the 40 of you that did not renew for this year, you still have time with your membership and support.

The American Legion has secured \$23 Billion federal benefits through American Legion Service officers and appeals reps. Awarded \$832,592 in grants to children serving organizations. Sent 136,812 messages to Congress to address legislative priorities facing veterans. Trained over 20,000 people to detect and prevent veteran suicide through The American Legion Be the One mission. In 2026, the American Legion will continue fighting to provide Veterans and their families with programs, services and actions that have proven to be vital, timeless and life-changing.

Reminder Monthly post meetings are the 3rd Monday of each month at 6:30pm. We are still in need of a service officer and someone who is computer savvy to assist.

## AUXILIARY

Greetings everyone! Hope you are surviving the crazy winter weather we've been experiencing this season. I also hope you and your families had a wonderful Christmas holiday and are preparing for the New Year.

The Auxiliary sponsored a family this year for Christmas. Stacy Noteboom was kind enough to do all the shopping and we delivered the gifts to the family on December 22<sup>nd</sup>. They were very grateful to our Auxiliary. In addition, Robin Robbins spearheaded a Diaper Drive to benefit the Delton's Women's Center. The response has been great and the deadline to drop off your donated diapers to the Post is January 31<sup>st</sup>.

December's Steak Fry was a very busy one and we served a total of 156! We had a large group from the Hickory Corners Fire Department that participated again this year, which helped boost our numbers. The next Steak Fry is Saturday, January 17 and we hope you can join us.

Our Auxiliary supported the Battle Creek VA Christmas Gift Shop again this year and we filled gift bags for 322 Veterans! This included those Veterans residing at the VA, along with six other Veteran organizations in the Battle Creek area. It was a fun day! Our next event at the VA will be the New Year's Day Pizza Party. This is an event the Veterans always look forward to.

Last, but not least, the Auxiliary is preparing to start a Queen of Hearts game at our Post. The paperwork has been submitted to the State, but it does take some time for it to be processed. We hope to kick this off after the first of the year. Stay tuned for more updates.

The next ladies Auxiliary will be Monday, January 5 . We would love to see more Auxiliary members attend this meeting and we hope you will join us. Wishing you all a Happy New Year!

Chris Reed, President - American Legion Auxiliary

The Organizations goals include.

1. Supporting veterans and their families
2. Promoting patriotism and American Values
3. Participating in community service and charitable actives
4. Advocating for legislation benefiting veterans

Did you know the Sons manage the food bank at the Legion for people who are going through tough times. There are no questions asked, no judgement.

For me, it is an honor to be a member of the Sons of the American Legion. We live in the best Country in the world because of the **US Military Men and Woman giving their all** (and all to often their life) to defend our great country known as the United Sates of America.

**Thank you for service.**
